MEMORANDUM FOR: Deputy Director for Administration

SUBJECT: OCDP Panel Membership

FROM: Director, Equal Employment Opportunity

1. The initial running of the Opportunities for Career Development Program (OCDP) has just been completed. The OCDP Panel is now in the process of critiquing the Program. When completed, revisions in design and conduct will be made to improve the effectiveness and efficiency of the Program. It is, therefore, an appropriate time to consider the membership of the Panel itself.

2. In accordance with the OCDP guidelines one-half of DA's panel representation is to change at this time. During the past year Panel members have spent two to three hours a week on OCDP-related matters. While this figure may decrease somewhat as we gain Program experience, it is imperative that your representatives plan to commit an equivalent amount of time to participate in all Panel activities.

3. In keeping with Panel membership concerns discussed in the Program critique and the changes recommended, we request that you nominate three individuals who may be considered as replacement representatives for your directorate. Criteria for selection of nominees and the functions of Panel members are attached. My primary concern is that the nominee must be able to speak for you on matters relating to the OCDP. I would appreciate receiving the names of your nominees no later than 11 March 1981 in order that your new representative can participate in the changes which are currently being considered by the Panel. This involvement will better prepare this individual to respond to Program needs in the future.

4. Thank you for your support of the Program during the past year.

  
Omego J. C. Ware, Jr.
